73A

WARNING!

THERE ARE A SERIES of THESE CAPS SUPPOSEDLY ON THE RANGE LINE BETWEEN RANGES 27 & 28 E FOR ABOUT FOUR MILES FROM JOHN DAY RIVER NORTH UP MARKS CREEK. THERE IS NO ORIG. COR. PROOF AT THESE CAPS & LAND TIES FROM CARS DO NOT MATCH ORIG GOVT. NOTES. ALSO A NUMBER of ORIG GOVT CORS WITH BT's HAVE BEEN FOUND AS MUCH AS 400 FT. FROM THESE CAPS. I CERTAINLY WOULD NOT ACCEPT ANY of THESE CAPS WITHOUT HAVING SOME QUALIFIED PERSON CHECK THEM AGAINST ORIG GOVT FIELD NOTES FIRST.

H. E. TAYLOR. R.P.E. # 2891

1958.
