T. 16S., R. 26E.
Section 22
NE 1/16 Corner

CERTIFIED RECORD OF LAND CORNER MONUMENTATION
(Reference FSH 5681.65)

State of Oregon
County of Harney

I, Marcellus A. Palmer
do hereby certify that on the 18th
day of July, 1964,
I found evidence of the 1 established
the north east 1/16 corner
Section 22.

township 16S range 26E
meridian Willamette
as described hereon; and that
this evidence is established on
monument and accessories as
described hereon to perpetuate the
original location of this corner.

Location of original corner establishment:

North east 1/16 Section corner, not established previously.

Description of corner evidence found:

Established by single proportionment between 1/16 section corners
established in B.L.M. Descent Resurvey of 1960.
Note - Only the NE and the SE corners on the exterior of this section were
found by the BLM Cadastral Survey of 1960. All corners set on the exterior
lines by BLM were evenly proportioned between corners which were established
by double proportionment. Hence any east-west or north-south lines between
opposite corners can be evenly proportioned to locate interior corners.

Description of monument and accessories established to perpetuate the
original location of this corner

Monument consists of a 2 1/2 brass disk welded to the top of a 2 inch
galvanized iron pipe, approximately 30 inches in length, buried approx-
imately 20 inches in the ground with a mound of rock set around the base.
