The N $\frac{1}{4}$ corner Sec 2 T10 S R29 E Fall W 9.6 ft

proceed to temporary mark on line and corrected made mound rocks

" " " " corner corrected made mound rocks

July 1 1910

Michael Spears

County Surveyor

The name of John Durst was given me after the survey was begun. I then notified him ^{by Registered Mail} and held the Survey open

Copy of Notice

Mr John Durst Ling Creek

Application having been made for an Official establishment of the S $\frac{1}{4}$ corner Sec 2 Twp 10 S R 29 E Will Mer By Hans Hanson, The Survey was begun July 1 1910, and this corner set, but as your name was not given me until Survey was begun I shall therefore hold the Survey as continued for 10 days after I receive your return card to enable you to investigate said survey and if anything is not right notify me immediately. But if I do not receive any notice from you to the contrary the Survey will be considered closed after the time specified and will be placed on book of County Record at the Statutory time This corner as I have set it is under the fence and a few yds North of the fence corner Henry Durst can show you where it is
