

No 2

Survey of P. S. Trileons Homestead
in Section No 1 Township 9 South Range 27 E
Willamette Meridian

9-27

It being required to find the centre of section 1 Township 9 South Range 27 E & M
After duly qualifying on oath George
W. Stubblefield and Thos. Buerly as chain-
men I proceeded by ranging out a
line from 1/4 sec cor on Range line East
of sec 1 to 1/4 cor on west-line of sec 1
and from 1/4 cor on north boundary of sec 1
marked CC to 1/4 sec cor on south line of sec 1
and at their intersection I placed a stone
8 x 9 x 14 in for corner marked ^{to}CS for centre of
section and bored 18 in deep beneath said
stone broken glass bottles.

I then run west at a bearing 22° E to 1/4 sec cor
on west-line and find the distance to be
43.00 chains I then run East 21.50 chains
and placed stone 8 x 10 x 14 marked ^{to}CS and bored
broken glass bottles one foot deep for cor of
SE 1/4 of NW 1/4 and SW 1/4 of NE 1/4 and describ-
ed as cor B in accompanying plat I then run
N bearing 22° E 20 chains and placed rock 6 x 8 x 16
marked ^{to}CS and described as cor C in plat
resting on broken glass bottles 1 foot deep
thence west 21.50 to stone marked ^{to}CS 10 x 12 x
14 in built stone around around on section
line bet-sec 1 & 2 from which closing cor-
ner bears N bearing 22° E 38.90 chains dist-

on standard
line
