

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

Refer to: Plat of Wilson 1985 Cadastral Survey
Sections 2&3, T.7S., R.26E., W.M.

History of original corner establishment:

This corner was originally established by Aaron F. York under G.L.O. contract number 309 dated November 18, 1878. He set a stone 18"x 13"x 8" and raised a stone mound at the corner from which:
A White Fir, 36" dia., N8°E, 11 links.

Description of corner evidence found:

I found a stone 11"x 9"x 6" marked with 5 notches, lying downhill from a mound of stone.
From the corner point in the center of the stone mound:
A Douglas Fir, approx. 36" dia., down and rotted, the butt of which bears N4°W, 8' (I was unable to determine the root hole): with no scribing visible.

Description of monument and accessories I established to perpetuate the original location of this corner:

I accept the center of the stone mound as being the original corner point.

At the original corner point I set a 2½"x 30" alum. pipe with a 3" alum. cap containing a magnet and marked:

T7S R26E
S2 | S1
S11 | S12
PLS 1832
1985

I buried the original stone alongside and built a stone mound around the monument.

From the corner:

- A Pine, 19" dia., S32°E, 86.2 ft. marked: T7S R26E S12 BT
- A Pine, 13" dia., S45½°W, 80.2 ft. marked: T7S R26E S11 BT
- A Douglas Fir, 10" dia., N14½°W, 59.9 ft. marked: T7S R26E S1 BT
- A Douglas Fir, 16" dia., N62°E, 36.8 ft. marked: T7S R26E S1 BT

BTs have blaze and a 6" stripe painted red, a BT tag, and an "Attention" sign. New BTs have an alum. "PLS 1832" washer nailed to the bottom of the blaze. There is a 6' steel fence post with an "Attention" sign within 5' of the corner.

Measured to center of BTs using steel tape and staff compass. Magnetic declination set at 20½°E.

July 18, 1985
