

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

E - 19
DIAGRAM

History of original corner establishment:

The original corner was established by Frank W. Campbell on May 10, 1881, under GLO contract No. 380, as follows:

38.50 ch. To the right bank of John Days River, runs N80° W. Set a post for W.C. 150 links East of true point for 1/4 section corner, from which a:

- Pine 18" in dia. bears South, 11 links (7.26 feet).
- Pine 18" in dia. bears N36°E, 31 links (20.46 feet).

Corner evidence recovered:

Found the original 18" pine bearing tree to the south of the corner point is a down 20" Ponderosa Pine log. Full scribes are visible for section 11. Root crown bears South, 7.26 feet. The original 18" pine is a sawn and decayed 34" Ponderosa Pine stump. No marks remain, having been cut below the blazes. Bears N36° E, 20.46 feet.

Monument and accessories established to perpetuate the original position of this Witness Corner:

At the position established at record bearing and distance from the original bearing tree evidence, I set a 1" x 30" flared, galvanized iron pipe 27" into the ground. I build a small mound of stones around the pipe. A 2 1/2" brass cap attached to the top of the pipe is marked as shown in the diagram above, from which:

- A 15" Ponderosa Pine, scribed "1/4 S2 WC BT", bears N46° E, 75.1 feet.
- A 30" Ponderosa Pine, scribed "1/4 S11 WC BT", bears S31° E, 63.8 feet.
- A 5/8" x 30" iron rod, set 29" into the ground with a 3/4" brass washer, marked "PLS 1636" attached at ground level, bears S41° W, 9.9 feet.
- A 17" Ponderosa Pine, scribed "1/4 S2 WC BT", bears N35° W, 86.6 feet.

The new bearing trees are scribed on double blazes (lower blaze is scribed "WC BT") and have a 3/4" brass washer, marked "PLS 1636", nailed flush to the bottom of the lower blaze.

I hereby certify the above corner point was perpetuated as hereon described on July 12, 2001. Magnetic declination set in compass: 18° E.
