

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

G - 9
DIAGRAM

History of original corner establishment:

The original corner was established by Frank W. Campbell on May 13, 1881, under GLO contract No. 380, as follows:

Set a basalt stone, 12" x 8" x 6", in a mound of stone for 1/4 sec. cor. Fir, 18" dia. bears S45° W, 50 links dist. (33.0 feet).

Corner evidence recovered:

Found the corner stone broken and in a mound of stones. A part of the original corner stone is marked "1/" and part of a "4". This piece of stone is 6" x 5" x 3", from which: The original fir bearing tree is a down 30" Douglas-fir. Scribes are visible on a previously chopped open upper blaze. The broken stump bears S45° W, 33.0 feet. The center of a draw is 6 feet north of the corner. (Record: 40.09, Brook 4 lks. wide runs N.)

Monument and accessories established to perpetuate the original position of this corner:

In place of the original corner stone, I set a 1" x 30" flared galvanized iron pipe 15" into the ground. I build a mound of stones around the pipe and place the marked stone in the mound. A 2 1/2" brass cap attached to the top of the pipe is marked as shown in the diagram above, from which:

A 25" Douglas-fir, scribed "1/4 S9 BT", bears N30° 30' E, 31.4 feet.

A 34" Ponderosa Pine, scribed "1/4 S9 BT", bears S10° E, 29.8 feet.

This tree has been blazed and axe scribed "1/4" on the southwest side by a previous visitor to the corner.

A 7" Douglas-fir, scribed "1/4 S8 BT", bears S58° W, 81.8 feet.

A 24" Ponderosa Pine, scribed "1/4 S8 BT", bears N 24° 30' W, 35.5 feet.

The new bearing trees are scribed on double blazes and have a 3/4" brass washer, marked "PLS 1636", nailed flush to the bottom of the lower blaze.

I hereby certify the above corner was perpetuated as hereon described on July 10, 2001.

Magnetic declination set in compass: 18° E.
