

**CERTIFIED RECORD OF LAND CORNER MONUMENTATION**

**History of original corner establishment:**

Corner was established by W. B. Barr, Deputy Surveyor General, during the original survey Contract No. 492 dated April, 1884.

Set Pine Post 3 ft long 3 ins square 24 ins in the ground, for 1/4 sec cor marked 1/4 S. on N face from which

- A Pine 8 ins. diam. bears N20°E, (27.7')42 lks. dist. marked 1/4S BT
- A Pine 10 ins. diam. bears S70°W, (34.3')52 lks. dist. marked 1/4S BT

RLS 699

**Description of corner evidence found:**

No corner evidence was found. It appears that the corner area has had a fire and there are no pine trees the size of the BTs in the area. The corner also falls in or near a logging road, so the corner has been obliterated.

**Description of monument and accessories I established to perpetuate the original location of this corner:**

Set a 2"x30" aluminum pipe with a 3 1/4" aluminum cap, marked as shown in the diagram, 36" in the logging road so the cap is 6" below the surface of the road, at single proportionate measurements from adjacent found corners.

No mound necessary, from which new BTs are:

- 16" Western larch bears S30° 45'E, 50.0 feet scribed 1/4 S11 BT
- 9" Western larch bears N80°E, 40.9 feet scribed 1/4 S2 BT

Attached BT and Attention signs to and painted a red band around each BT. Bearings were turned from the control traverse with a theodolite, basis of bearing being a solar observation, to the scribed blazes which were painted red. Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground.

Set a steel fence post 11 feet E on the top of the cut bank of the road of the corner with an Attention sign attached. The monument is not a National Forest property corner.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on June 20, 1985, I re-established the corner as herein described.
