

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Original corner established in July, 1884, by Herman D. Gradon under contract No. 449, as follows: Set a basalt stone, 12"x10"x15" from which: A 4" pine bears S35 E, 50 links (33.00 feet) and a 30" fir bears N40 W, 103 links (67.98 feet).

In 1993, I found the corner stone missing. I found a 9" Ponderosa Pine bears S35°E, 33.0 feet with a healed blaze and a 37" Douglas-fir bears N40°W, 61.0 feet with scribes visible. I set a 30" x 2 1/2" Aluminum pipe with a 3 1/4" aluminum cap attached which is marked as shown in the diagram, above, from which: A 12" Ponderosa Pine bears S6°30'E, 44.5 feet and a 16" Ponderosa Pine bears N77°E, 83.5 feet, both scribed "1/4 S23 BT" on double blazes.

Description of corner evidence found:

I find the corner is monumented as described by me on September 9, 1993, except the aluminum pipe monument is loosely set and in danger of sliding down the steep hillside.

Description of monument and accessories I established to perpetuate the original location of this corner:

In order to perpetuate this corner, I move the aluminum pipe aside and in the bedrock at the exact corner point, I drill a 3/4" x 4" deep hole and cement a 3" diameter brass tablet, with a 3" long brass stem, into the drill hole. The brass tablet is marked:

U.S. DEPT. OF AGRICULTURE
PENALTY 250 DOLLARS FOR REMOVAL
T9S R34E
1/4
S22+S23
PLS 1636
1995
FOREST SERVICE

I replace the aluminum pipe upright over the corner point and rebuild the mound of stones 3 1/2' diameter by 30" high around the pipe.

I hereby certify the above corner point was further perpetuated as hereon described on August 29, 1995.
