

NARRATIVE: This survey was performed at the request of Nick Winfrey. The purpose of this survey was to delineate the tract of land shown hereon which is being sold by Mr. Winfrey to Pete Barrietua. A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were set in accordance with the evidence found and at locations approved by Mr. Winfrey. No access to this tract is required as Mr. Barrietua owns the adjoining land to the South of this tract. I found no unusual conditions during this survey.
