NARRATIVE: This survey was performed at the request of A.C. Bond, County Roadmaster. The purpose of this survey was to delineate the tract of land shown hereon for a rock pit lease from the Innes and Julien Plan & Trust.
 A search was made of the available records pertaining to this survey. Field measurements were made to locate the existing monument at the SW corner of section 20. New monuments were set at positions approved by Mr. Bond, as shown hereon. We also located the existing centerline of County Road No. 18.
 I found no unusual conditions with this survey.
