

NARRATIVE: This survey was performed at the request of Sam Speakman, acting in behalf of the Living Word Christian Center, Gary Miller, Marina Green, and Thomas Whale. The purpose of this survey was to locate and monument the corners of certain lines of mutual agreement between The Living Word Christian Center, Gary Miller, Marina Green, and Thomas Whale, as shown hereon. These lines are boundary agreement lines. I have prepared legal descriptions for exchange of quitclaim deeds to the lines shown hereon between these landowners as per their agreement and request. A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were set at locations approved by Mr. Speakman, and the other three parties involved, as shown hereon. The northerly right of way line of U.S. Highway 26 and 395 was determined from my personal knowledge of 22 years of the location of the centerline of said highway at junction of Highways 26 and 395. This alignment is shown on Map of Survey No. 453 and 992. Said alignment is based on centerline points established by OSHD prior to 1968 and pointed out to me by OSHD personnel in 1968, at which time I referenced said points for future surveys.
