## DECLARATION

Know all men by these presents that we, Tom M. Kerns and Joyce A. Kerns, husband and wife depose and say that we are the owners of the lands described in the Surveyor's Certificate, and that we caused the same to be partitioned into parcels in accordance with the provisions of ORS 92. SAID PARCELS SUBJECT TO THE FOLLOWING CONDITIONS: (1) Right of way easement for utilities and incidental purposes, no specified width, to West Coast Power Co., recorded in Book 43, Page 215, deed records. (2) Access easement 16 feet in width to Errol O. Wilde, recorded in Book 107, page 709, deed records. (3) Right of way easement for utilities and incidental purposes, 20 feet in width for sewer line easement, to City of John Day, recorded in Book 107, page 971, deed records. (4) Easements for utilities, over, under and across the premises included within the boundaries of NW Bridge Street, vacated by Ordinance No.82-32-4 of the City of John Day, recorded in Book 127, page 586, deed records, if any such exist. (5) Easement to accommodate garage eaves which encroach onto subject property from adjoining property, to Richard P. Davis and Agnes V. Davis, Husband and wife, recorded in Book 127, page 585, deed records. (6) Any and all matters, including easements and assessments, if any, pertaining to the Trowbridge Irrigation Ditch. (7) The right of way of NW Bridge Street, 50 feet in width. (8) The new water and sewer line easement, shown between Parcels 1 and 2, to permit ingress and egress and construction and maintenance of said water and sewer lines for use of the owners of said Parcels 1 and 2; and that we do for ourselves, our heirs and assigns, hereby dedicate, donate, and convey to the public, for public use forever, the storm drain easements shown hereon, and described as follows: Easement A: A storm drain easement over Parcel 2 for the purpose of maintenance of a storm drain along the existing Trowbridge Ditch, with appurtenances necessary and convenient thereto, said easement being 20 feet in width, 10 feet on each side of the centerline of said ditch. Easement B: A storm drain easement over Parcel No. 2, as follows; a perpetual easement for construction and maintenance of a storm drain ditch and pipeline and appurtenances necessary and convenient thereto, on, over, and under a strip of land 10 feet in width, 5 feet on each side of the centerline, with an additional 5 foot wide easement on each side of said centerline for the purpose of access and use during construction of the drainline, such additional 10 foot easement to be only for the duration of construction of said drainline. Easement C: A storm drain easement over Parcel No. 2, as follows; a perpetual easement for construction and maintenance of a storm drain ditch and pipeline and appurtenances necessary and convenient thereto, on, over, and under a strip of land 10 feet in width, 5 feet on each side of the centerline, with an additional 5 foot wide easement on each side of said centerline for the purpose of access and use during construction of the drainline, such additional 10 foot easement to be only for the duration of construction of said drainline.
