State Highway Drawing No. 5B-25-17

**NOTE:**  
The section and section subdivisional lines shown are protracted for general information only.

I find no record or existence of an appurtenant geodetic control monument within 1/2 mile of this land partition.

**WATER RIGHTS STATEMENT**  
Water Right Certificate No. C-35944 and C-49440 and C-53609 and Permit No. P-49482 and P-46922 are appurtenant to this partition.

**NARRATIVE:**  
This survey was performed at the request of Frank Silva, Jr., acting in behalf of himself and Manuel N. Silva and Mary Calmeirinda Silva. The purpose of this survey was to delineate PARCELS 1 and 2 of this Land Partition as shown hereon.

A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were set at the corners of PARCEL 1 in accordance with the evidence found and at locations approved by Mr. Frank Silva. During this current survey we ran a closed loop control traverse and tied the controlling monumented corners as shown hereon. I placed the NE and NW corners of PARCEL 1 on the new southerly right of way line of County Road No. 2, as shown. I placed the SE and SW corners of Parcel 1 northerly and at 40 feet distant from the centerline stripe of the existing Kimberly-Long Creek Highway. No State Highway right of way monuments for this stretch of highway were found, and there is no record that they were ever set.
