Note:
The Stationing shown along the Southerly right of way line between stations 142+05.07 and 154+07.31 of this survey is record data from the State Highway Dept. survey as shown on OSHD drawing No. 85-8-16 and recorded in Circuit Court Journal Book 27 page 601. The relationship between the centerline stationing of this current survey to the pins we set along the state survey right of way, are as shown. The county intends to retain the old right of way along this line.
