## BASIS OF BEARINGS

SOLAR OBSERVATION  
TAKEN NEAR SW CORNER OF LEASE AREA

## LEGEND

- Set 5/8"x30" iron pin with attached alum. cap marked BGA SURVEY MARKER.

## REFERENCES

Deed Record Instrument No. 922377

NOTE: We drove 6 ft. long galvanized steel fence posts alongside each pin set.

NOTE: The section and section subdivisional lines shown are protracted for general information only.

NARRATIVE: This survey was performed at the request of Jim Walker, Assistant County Road Supervisor, acting in behalf of the County Road Department. The purpose of this survey was to delineate an area for a rock quarry lease site. Also, we were to locate the existing access road leading from this site to Kimberly-Long Creek Hwy.

A search was made of the available records pertaining to this survey. Field measurements were made to locate the existing access road and the NW corner of Section 12, which I remonumented in 1979 from original evidence. New monuments were set at locations approved by Mr. Walker and land owner Veda Gimenez as shown hereon. I found no unusual conditions during this survey.
