

NARRATIVE:

This survey was performed at the request of Mike Slinkard. The purpose of this survey was to locate the property adjustment lines, shown hereon.

A search was made of the available records pertaining to this survey. Field measurements were made to locate existing appurtenant monuments of Record Survey No. 1141, as shown.

New monuments were set on the property adjustment line at locations approved by Mr. Slinkard.

I found no unusual conditions with this survey.
