

[illegible]

This survey was performed at the request of Robert Lindenmeyer. The purpose of this survey was to locate and monument the NE and SE corners of Gov't Lot 2 and the SE corner of Gov't Lot 4 of Section 30, and to post the lines indicated hereon with lath. A search was made of the available records pertaining to this survey. Field measurements were made to locate existing controlling monuments of record affecting the subdivision of this section, ie, the NW cor., SW cor., N1/4 cor., S1/4 cor., E1/4 cor., W1/4 cor., C1/4 cor., N1/16 cor. on the west boundary of Section 30. All of the above corners were found in position and monumented as shown on Record Map of Survey No. 599. I accept the position of the found monuments. We subdivided, by survey, the W1/2 of Section 30, as shown hereon. We determined the position of corners to be set and set monuments at the following corners: W1/16 cor. on the south boundary; C-W 1/16 cor.; NW1/16 cor. We posted the east line of Gov't Lots 2, 3, and 4 and the north line of Gov't Lot 2 of Section 30. We also took new bearing trees at each of the corners set. See Corner Restoration sheets for details of monuments set and new bearing trees filed in Corner Restoration Book.

RECORD MAP OF SURVEY NO. 599  
AS SHOWN

Found 2½" Galv. iron pipe with attached brass cap.

Set 5/8"x30" iron pin with attached alum. cap marked BGB SURVEY MARKER, with appropriate corner markings.

Fence line.

GLO Record bearing and distance.

Record bearing and distance from Record Map of Survey No. 599.

Found Monument from Recorded Survey No.

Survey No. appears in box.
