### DETAIL

Scale 1"=100'

### NARRATIVE

This survey was performed at the request of Keith Tuttle. The purpose of this survey was to locate the existing fence line between Mr. Tuttle and Mr. Taylor and to set the monuments as shown hereon. The monuments are set at positions which Mr. Tuttle pointed out to me.

After searching the available records pertaining to this survey, I found several of the monuments that were set in 1989, during Survey No. 1105 and the S1/16 corner set in 1989, by Doug Ferguson during Survey No. 1034.

This survey was performed to support a litigation between MR. Tuttle and Mr. Taylor, and the monuments set are the result of that litigation.
