### Narrative

This survey was performed at the request of the City of Monument. The purpose of this survey was to locate and monument the proposed lease sites for the city sewer project.

I located the sites as directed in the plans for the City of Monument Wastewater Treatment and Disposal System, dated November 1998. The Oregon Department of Transportation has issued Permit No. 12M35587, to the City of Monument, to install and maintain the lift station within the Highway Right of Way as shown hereon.

## Main Street Lift Station Site
