### NARRATIVE

This survey was performed at the request of Gary Domeniconi. The purpose was to establish selected property corners as described in Deed Instrument No. 980820, recorded in the Grant County Clerks office.

A search was made of the available records pertaining to this survey. In 1978 the BLM did a dependant resurvey along the west line of Section 24, see Survey No. 613. I accepted the monuments shown hereon. The deed record bearings and distances were used to place the corners of Mr. Domeniconi's property shown on this plat.
