**BASIS OF BEARINGS**

Survey No. 491

**LEGEND**

- Found 2½" brass cap set in concrete, 12" below street level, in a monument box. See Survey No. 491.
- Found 5/8" iron pin with attached red plastic cap marked CORNERSTONE SURVEYING, INC. See Survey No. 1487.
- Set 5/8"x30" iron pin with attached red plastic cap marked CORNERSTONE SURVEYING, INC.
- ( ) Record bearing and distance.

**NARRATIVE**

This survey was performed at the request of Elmer Gill. The purpose of this survey was to survey and monument the corners of Lot 8, Block 13, Cleaver & Cozart's Addition to Prairie City.

After searching the available records pertaining to this survey I found that many surveys have been performed in this subdivision. I found two centerline monuments from survey number 491 and accepted them, as shown. I layed out Block 13 conforming with the bearings and proportioned distances as shown on survey number 491.
