- ( ) Survey No. 1668 record bearing and distance.

## **NARRATIVE**

This survey was performed at the request of Roger Lang. The purpose of this survey was to locate and monument the proposed boundary adjustment line shown hereon.

A search was made of the available records pertaining to this survey. Field measurements were made to locate the existing monuments and to establish the new boundary line. I accept the found monuments shown and established the new boundary at the location chosen by Mr. Lang.
