APPLICANT'S CERTIFICATE

This is to certify that Emile P. Bachand, who subscribed the statement hereon, is the person employed by the undersigned applicant to prepare this map, which has been adopted by the applicant as the approximate final location of the works thereby shown; and that this map is filed as a part of the complete application, and in order that the applicant may obtain the benefits of the Act of March 4, 1911 (36 Stat. 1253; 43 U.S.C. 960) as amended; and I further certify that the right-of-way herein described is desired for a microwave communication site.

ENGINEER'S STATEMENT

Emile P. Bachand states that he is the engineer employed by the Blue Mountain Telephone Company, under whose supervision the survey was made of the grounds selected by the company for structures for a microwave communication site under the act of Congress approved March 4, 1911, as amended, said grounds being located as shown on this map and site layout drawing; that the site layout drawing correctly represents the locations of said structures; and that in his belief the structures represented are actually and to their entire extent required for the necessary uses contemplated by the said Act.

Emile P. Bachand
(Signature of Engineer)

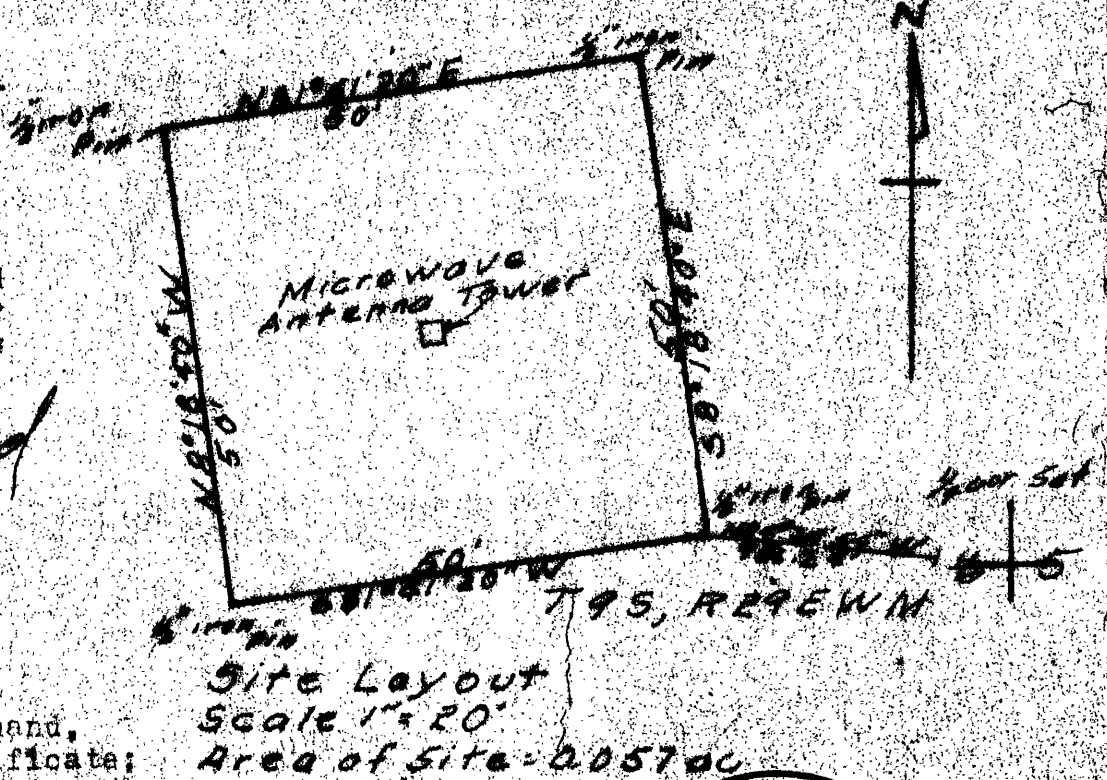

APPLICANT'S CERTIFICATE

I, _____, do hereby certify that I am the _____ of the Blue Mountain Telephone Company; that the survey of the structures represented on the site layout drawing was made under authority and by direction of the company, and under the supervision of Emile P. Bachand, the engineer employed, whose statement precedes this certificate; that the survey as represented on the site layout drawing actually represents the structures required for a microwave communication site under the act of Congress approved March 4, 1911, as amended, and that the company by resolution of its board of directors, passed on the _____ day of _____ 1973, directed the proper officers to present the said drawing for approval in order that the company may obtain the use of the grounds required for said structures, under the provisions of the act.
