**NARRATIVE:**

This survey was performed at the request of John Stinnett to delineate the tract of land shown hereon.

A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were set in accordance with the evidence found as shown hereon.

This survey represents a portion of the lines described in Deeds, Book 122, Page 87. The old Bear Valley Road may have been located over a portion of the tract shown hereon. I find no vacation or abandonment proceedings for this portion of the old road.
