NARRATIVE:

This survey was performed at the request of Richard McIntosh to delineate the tract of land shown hereon.

A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were set in accordance with the evidence found as shown hereon.

The lines of the alleys shown were established through retracement of the lines of Lot 2 Block A, Laurance Addition and Block H and Block 20, Prairie City Land Company's Second Addition. The west side of McHaley Ave. was determined from the monuments shown on Map of Survey No. 420 relating to Laurance Addition.
