SOLAR OBSERVATION

LEGEND

- Set 5/8"x30" Iron pin with attached plastic cap, marked B-G-A SURVEY MARKER
- Found 5/8" Iron pin

NARRATIVE: This survey was performed at the request of Dennis Lemons to delineate the tracts of land shown hereon. A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were set in accordance with the evidence found as shown hereon. No original corner evidence was found during a diligent search for the 1/4 corner between sections 32 and 33. Boundary agreement lines were proposed to the landowners affected by the position of this 1/4 corner. At the time of this survey, no specific right of way width of the County Road was found. The land owners were approached to grant a 60 foot right of way to the county. The monuments which we set along the County Road were set 30 feet easterly of the existing centerline of the road.
