

**NARRATIVE:** This survey was performed at the request of Virginia Winegar, acting in behalf of the Prairie Cemetery Maintenance District, to delineate the tract of land shown hereon. A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were placed at the locations pointed out to me by Harry Dew, present owner of this tract. Mr. Dew intends to sell this tract to the Cemetery District. I find no unusual conditions with this survey.
