15	14
22	23

NARRATIVE: This survey was performed at the request of Lorene Allen, Grant County Judge, to locate the boundary lines of a gravel pit site on the R.G. Ray property for the purpose of a lease to the county. A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were set in accordance with the evidence found along the highway right of way line as shown. Monuments set along the north line and at the NE and NW corners of this lease area were set at locations pointed out to us by A.C. Bond, Grant County Roadmaster. The iron pins found along the highway right of way line were set by the Oregon State Highway Department and were not recorded.
