#### REFERENCES

Record remonumentation sheet for 1/4 cor. to sections 23 & 24.

**NARRATIVE:** This survey was performed at the request of County Judge Lorene Allen to delineate the lines of a gravel pit site on the Holmsstrom Ranch for the purpose of a lease to the county. A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were set at locations approved by the land owner and Roadmaster, A.C. Bond. This survey is tied to the 1/4 corner common to sections 23 & 24 which is monumented with a 1-1/2" x 30" iron pipe with attached brass cap. The original found 1/4 corner stone was remonumented by myself in 1970 at this position. I found no unusual conditions during this survey.
