

NARRATIVE: This survey was performed at the request of Barry Diskin acting in behalf of Prairie Wood Products. The purpose of this survey was to create a tract of land to be transferred to Co-Gen Inc. A search was made of the available records pertaining to this survey. New monuments were set at locations chosen by Mr. Diskin as shown hereon.

This tract lies within the tract I surveyed for Prairie Wood Products in July 1983, as shown on Map of Survey No. 822, and is a portion of said tract as described in Book 130, Page 364-365 Deed Records of Grant County.

I found no unusual conditions pertaining to this survey.
