NARRATIVE: This survey was performed at the request of Herbert and Nelda Martin to delineate the six acre tract from their ranch, as shown hereon. A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were set at locations chosen by Mr. Martin. In my research I find that a 60 foot right of way was conveyed to Grant County on County Road No. 18, see Deed Record Book 95 Page 117. I find no unusual conditions with this survey.
