NARRATIVE: This survey was performed at the request of Terry Lyons, acting in behalf of Dona Holmstrom. The purpose of this survey was to segregate 3 acres on the easterly side of the Grant County gravel pit lease site as shown on Map of Survey No. 860, in exchange for 3 acres lying westerly of said pit site.

A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were set at locations approved by Mr. Lyons and County Roadmaster A.C. Bond.

I found no unusual conditions during this survey.
