**NARRATIVE:** This survey was performed at the request of Dick Zickler. The purpose of this survey was to create boundary lines by mutual agreement between Mr. Zickler and Bill Hickerson as shown hereon. A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. The new monument was set at the location approved by Mr. Zickler & Mr. Hickerson. Dorothy Drive was vacated by County Resolution No. 86-06 recorded in Book V Page 184-186 County Commissioners Journal. The distance 185.55 on the west line of the tract shown on Map of Survey No. 177 is a drafting error. This line 6 feet easterly of the original lot line between lots 9 and 10.
