NARRATIVE: This survey was performed at the request of Terry Lyons acting in behalf of R.L. Coats and Dona Holmstrom and at the request of A.C. Bond, acting in behalf of the Grant County Road Department. The purpose of this survey was two fold, (1) to segregate tract A from the County gravel pit lease site so that it can be released from the lease and exchanged for tract B which will be added to the lease site, as requested by Mr. Lyons. (2) to delineate tract C, shown hereon, so that it can be added to the County lease site. Requested by Roadmaster A.C. Bond. A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were set at locations approved by Mrs. Holmstrom & Roadmaster A.C. Bond.
