NARRATIVE OF SURVEY, No. 985: This survey was performed at the request of Marshall Gilmore, attorney, acting in behalf of the Grant County Court.

The purpose of this survey was to amend three boundary lines on the southeasterly side of the Grant County Fairgrounds by a land exchange between the Fairgrounds property and Terry Lyons, the adjoining property owner to the south and east.

A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments. New monuments were set at locations agreed upon by the County Court and Mr. Lyons.

I found no unusual conditions with this survey.
