NARRATIVE

This survey was performed at the request of Jerry Updegrave. The purpose of this survey was to re-plat the three parcels of Land Partition No. 97-19, dated May 20, 1997 and recorded May 30, 1997 in the office of the Grant County Clerk.

A search was made of the available records pertaining to this survey. Field measurements were made to locate the existing monuments shown, the improvements and to set the new parcels corners. The found monuments from Survey No. 297 and those along the county road right of way established in Survey No. 1160 were accepted.

The county road was re-located in 1991 as shown on Survey No. 1160. I established the NW corner of Parcel 3 at the intersection of the found monuments on the north boundary line and the east right of way line of the re-located county road. The new parcel division lines are at locations approved by Mr. Updegrave.

DECLARATION

Know all people by these presents that I, Jerry Updegrave, do hereby declare I am the owner of the lands described in the Surveyor's Certificate, and that I have caused the same to be re-platted into parcels in accordance with the provisions of ORS Chapter 92 as shown hereon.
