Oct.24, 1990 — Grant County Surveyor

EVIDENCE FOUND: Found A basalt stone 12"x10"x3" marked 10/28 on one side with 2 grooves and 3 grooves on opposite edges. Other side of stone was broken with no marks visible. Found stone lying loose at fence corner. Found original mound of stone 6 ft. south of fence corner. I accept the origial mound of stone as the corner point. The corner stone has obviously been removed from the original mound of stone.
