

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner established by W.H. Byars under General Land Office Contract No. 197 dated July 14, 1873.

Surveyor General's Records state:

Set a basaltic stone 18x12x6 for corner to sections 1,12,6&7.

Description of corner evidence found:

At assumed corner location, found the original basaltic stone 17" X 12" X 6" marked with 5 notches and 1 notch on adjacent edges and "+" on top, lying on top of rock jack at wire fence corner west-north-south, 12.5 feet west of true corner. Found an old USFS location poster dated "6-30-49" with initials "JRA" noting "Corner is 46 ft E", tag on tree in west fence line. Found stone casts at tag noted location and remnants of old fence and blazed line to east. This position is harmoniously related to corners to south and I accept these stone casts at location noted by tag as the original position of the corner.

Description of monument and accessories established to perpetuate the original location of this corner:

At the original location of the marked stone as determined above, set 30" long 2 1/2" aluminum pipe 10" in ground to bedrock with 3 1/4" aluminum cap marked:

Marked new bearing trees:

A Ponderosa Pine, 13" DBH, bears North 61° East, 61.2 feet, scribed "T10S R29E S6 BT";
A Ponderosa Pine, 11" DBH, bears South 25° East, 45.2 feet, scribed "T10S R29E S7 BT";
A Juniper, 10" DBH, bears South 78° West, 40.9 feet, scribed "T10S R28E S12 BT";
A Juniper, 11" DBH, bears North 62° West, 49.9 feet, scribed "T10S R28E S1 BT".
Raised stone mound 3 1/2 feet base to cap and buried original stone north of cap. Painted 6" red band and faces red and nailed brass washer stamped "LS 1026" and signs 54-3 and 54-4 on bearing trees. Set steel post with sign 54-4 south of cap.

I hereby certify the above corner monument was re-established as herein described on August 11, 1981.
