

35 T 11 S
2 T 12 S

Found probable orig. stone (12 x 12 x 5) actually 16 x 8 x 5 with very old $\frac{1}{2}$ on north. Built large mound and scribed BT's:

14" Fir N 68 E 53.9 ft. $\frac{1}{4}$ S 35 BT

36" Fir S 46 E 3.2 ft. $\frac{1}{4}$ S 2 BT

This corner is on south edge of bottom of draw E-W.

$\frac{1}{4}$ 35/36 Found orig. stone. Built mound.

Orig. 26" Pine N 12 E 19.1 ft. Now rotted windfall stub.

Orig. 48" Pine (S 48 W) actually S 25 W 41.6 ft. Now snag about 30 ft. high with good scribe.

Scribed new BT's:

9" Pine N 60 W 19.7 ft. $\frac{1}{4}$ S 45 BT

38" Pine N 7 E 32.0 ft. $\frac{1}{4}$ S 36 BT

Put tag on road about 150 ft. west of corner.

This corner falls in area cleared for power line right-of-way and stone is gone. Set 5/8 x 15" rod and stone 24x11x6 in large mound by reversing bearing and distance from orig. 32" pine S 70 E 64.7 ft. which has orig. scribe.

new BT's scribed:

24" Pine S 63 E 63.0 ft. 2 T 12 S R 30 E BT

Power Pole N 13 W 75.6 ft. S 34 T 11 S R 30 E BT

20" Pine N 79 W 83.4 ft. S 34 T 11 S R 30 E BT

(Nothing to scribe in NE quadrant.)

It should be noted there is an old burned out stump which possibly was second original BT; however, no combinations of orig. bearings and distances coincide at or even close to a common point, and hence I reset corner from the one BT with orig. scribe proof visible on it.

$\frac{1}{4}$ 34/35 Found orig. marked stone in mound.

Orig. 14" Pine N 46 W 13.9 ft. Now 20" Good condition.

Orig. 26" Pine S 74 E 47.3 ft. Now 26" Good condition.

This corner is on highest part of round knoll on west end of E-W ridge.

Found original stone with notches (16x10x8) actually 10 x 10 x 7.

Orig. 40" Pine N 63 W 36.3 ft. Now old stub.

Orig. 24" Pine N 70 E 37.1 ft. Same size. Good condition

Orig. 36" Pine S 65 E 63.4 ft. Find no trace of this one.

Orig. 34" Pine (S 41 W 104.9 ft.) actually S 34 W 107.3 ft. Now 42" Good condition. Big leaner tree.

This corner is 100 ft. more or less east of top of N-S ridge. Mr. John Arne, USFS, John Day was with us when we found this.
