

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner originally established by Herman D. Gradon under GLO contract number 416, dated August 19, 1881. Surveyor General record states:

Set basalt stone 16x8x8 ins 12 ins in the ground for $\frac{1}{4}$ Sec corner marked $\frac{1}{4}$ on N face from which:

A pine 6 in diam bears N20°E 10 lks dist marked $\frac{1}{4}$ S BT
A pine 14 ins diam bears S40°W 25 lks dist marked $\frac{1}{4}$ S BT

No record of subsequent remonumentation was found in the Grant County Records.
Description of corner evidence found:

NONE

See map of survey dated January, 1985

Description of monument and accessories I established to perpetuate the

original location of this corner: At proportionate position, I set a 2 $\frac{1}{2}$ inch x 30 inch aluminum pipe with aluminum cap marked as shown, 15 inches in the ground, from which:

New BTs

A 26 inch diameter P.Pine bears N77°E 79.0 feet marked $\frac{1}{4}$ S12 BT
A 10 inch diameter Red Fir bears S38W 28.7 feet marked $\frac{1}{4}$ S13 BT

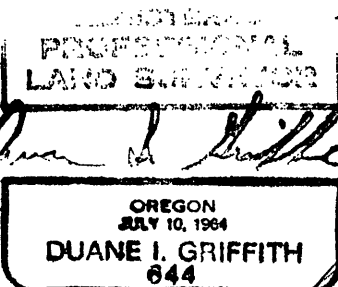

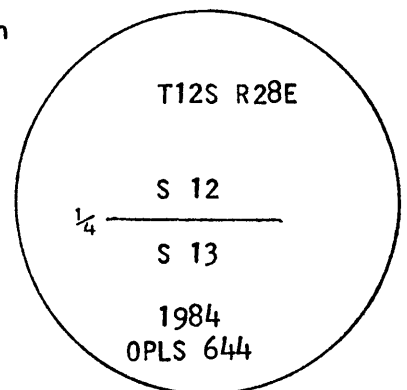

Raised mound of stone around monument

Set steel fencepost approximately 5 feet West with 54-2 sign and approximately 5 feet South with 54-2 and 54-4 signs

Corner set May 16, 1985

Witness: Ray Crapo

Note: This corner was set on the above mentioned survey in which an error in proportioning was discovered. The corner was reset to the proper position in May, 1985, but prior to filing the plat. This is why the cap is marked 1984.

I used a steel tape and magnetic compass in the establishment of these accessories. I used 20° East magnetic declination and the distance to the BTs are to the center of the tree. I set a brass washer marked OPLS 644 at the BT blaze. I painted a 6 inch red band around all BTs and attached 54-3 and 54-4 signs.

Office of..... County of.....
State of....., I hereby certify that the within instrument was filed in this office
for record on the 11 day of June, 1985
