

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

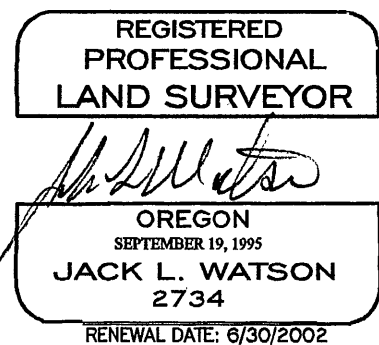

Not previously established

W1/16 Sec.34 T12S, R29E

Description of corner evidence found:

Not previously established

See Grant County Survey No. 1591

Description of monument and accessories set at corner location:

At the position determined by survey, I set a 5/8"x30" iron pin with attached 2" aluminum cap, the cap is stamped as shown in the diagram.

From which I scribe new bearing trees:

A 12" Juniper bears N40°W, 46.11 feet, marked W1/16S34BT.

A 7" Juniper bears S31°E, 11.01 feet, marked W1/16S3BT.

I used magnetic compass, with 20° east variation, to center of BT and steel tape measuring to a 50d nail driven in the side center at the root crown of the BT. Built mound of stone around monument.

Date: March 8, 2001

Office of SURVEYOR County of GRANT
State of OREGON, I hereby certify that the within instrument was filed in this office
for record on the 16 day of MARCH, 2001.
