

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner originally established by Samuel W. Lackland under GLO contract number 415, dated August 19, 1881. Surveyor General record states:

Set a basalt stone 10x10x8 inches 10 ins in ground for $\frac{1}{4}$ sec cor, marked $\frac{1}{4}$ on N face, and raised a mound of stone alongside.

No record of subsequent monumentation found in Grant County survey records.

Description of corner evidence found:

Found a stone 14x10x8 inches marked 4, faintly, in a mound of stone. The stone has been broken.

See map of survey dated June, 1988. *SURVEY No. 1027*
Description of monument and accessories I established to perpetuate the original location of this corner:

In place of the stone, I set a 2 $\frac{1}{2}$ " x 30" aluminum pipe with aluminum cap marked as shown, 22 inches in the ground, from which:

New Bearing Trees:

A 13 inch diameter Ponderosa Pine bears N28°E, 5.44 feet marked $\frac{1}{4}$ S8 BT
A 17 inch diameter Ponderosa Pine bears S46°E, 30.90 feet marked $\frac{1}{4}$ S17 BT

Raised a mound of stone around monument, 3 ft. base to top of cap.

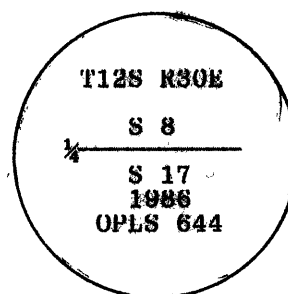

Buried the found stone South and alongside of monument.

Painted a 6 inch red band around all BTs and attached 54-3 and 54-4 signs.

Set a steel fencepost approximately 5 feet West with 54-2 sign attached and approximately 5 feet East with 54-4 and 54-2 signs attached.

I hereby certify that the above corner point was perpetuated as hereon described on June 10, 1988.

Witnesses: Greg Blackman and Rick Robinson

I used a steel tape and magnetic compass in the establishment of new accessories. I used 20° East magnetic declination and the distances are to a 50d spike driven in the right side of the root crown. I attached a brass washer marked OPLS 644 to the BT blaze.
