

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner established in 1881, by S.W. Lackland, Under General Land Office Contract No. 415., Surveyor Generals Notes State:

Set basalt stone 16x12x9, 10 in. in the ground for $\frac{1}{4}$ section corner, marked $\frac{1}{4}$ on West face. From Which:

A Pine 30 in. dia. bears N28°W, 42 lks dist. marked $\frac{1}{4}$ S BT.

In 1958 P.E. 2891, States:

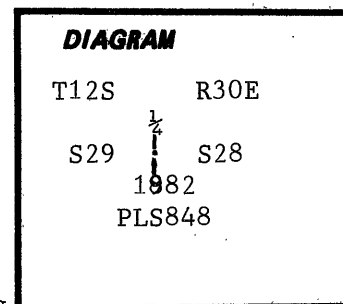

Found original Btome 16x12x9, $\frac{1}{4}$ on West. f~~o~~Original Bina, 30" dia. bears N28°W, 27.7 ft. is now 36" windfall with scribe and bearing was actually N20°W, and distance o.k.

Original 8" Pine N35°E, 24.0 ft, now 10", windfall with scribe and bearing and distance o.k.

I scribed new BT's as follows:

40" Fir S4°W, 9.4 ft. $\frac{1}{4}$ S29 BT.

9" Fir N18°E, 28.0 ft. $\frac{1}{4}$ S28 BT.

Description of corner evidence found:

Original stone found downhill from corner position.

The area has been heavily logged over.

Found dead & down Pine 30" dia. scribed $\frac{1}{4}$ South & a notch, (Record) bears N28°W, 27.7 ft. from point. Found Fir 36" dia. scribed $\frac{1}{4}$ S29 as scribed by P.E. 2891, bears S85°W, 15.4 ft.

Since the tree taken by P.E. 2891 does not fit with the original tree, the point positioned by the original tree is accepted as the $\frac{1}{4}$ corner.

Description of monument and accessories, established to perpetuate the original location of this corner:

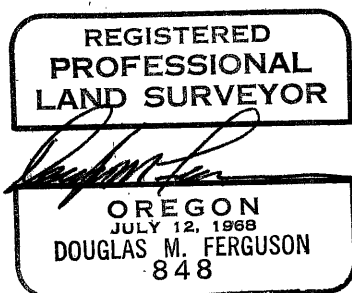

Set a 30"x2" aluminum pipe with a 3 $\frac{1}{2}$ " aluminum cap, stamped as shown in diagram. Set 14" in the ground & raised a mound of stone & earth around pipe.

From Which:

A Pine 14" dia., bears N55°W, 32.0 ft. scribed $\frac{1}{4}$ S29 BT.

A Fir 6" dia. bears S44°E, 27.5 ft. scribed $\frac{1}{4}$ S28 BT.

Nailed brass washers stamped PLS848, with bearing tree & warning signs to each tree. Set steel posts with warning & boundry signs North 5' & South 5'.

Corner monumented 10-25-82
