

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

U.S.F.S. INDEX No. N-3

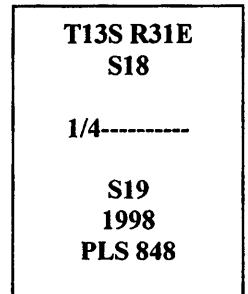

History of original corner establishment:

This corner was originally established by John B. David, in 1869 under GLO Contract No. 131.

Surveyor General Field Notes State:

Set stone 15x9x8 for 1/4 sec. corner

DIAGRAM

Description of Corner Evidence Found:

Found 14"x8"x6" stone lying loose in center of a small ring of stones 10 ft. north of an east west fence line. No marks were found on stone. My experience shows that it is unusual to find marks on stones set by John B. David. The character of this stone and mound of stone look like a corner. Due to its harmonious relationship to surrounding evidence and existing lines of occupancy, this evidence is accepted as the corner.

Description of monument and accessories I established to perpetuate the original location of this corner:

At the center of the found ring of stone, set a 2-1/2"x30" aluminum pipe with 2-1/2" aluminum cap, stamped as shown in DIAGRAM, 12" in the ground. Raised a 4 ft. dia. by 2 ft. high mound of stone around monument. Placed original stone in mound north along side.

From which:

- A Juniper 12" in dia., bears N28°45'W, 45.8 ft., scribed 1/4 S18 BT
- A Juniper 14" in dia., bears N50°45'E, 17.3 ft., scribed 1/4 S18 BT
- A 5/8"x30" iron pin, bears S29°00'E, 15.6 ft.
- A plastic cap stamped PLS 848 was placed on the 30" iron pin.
- A Juniper 16" in dia., bears S76°30'W, 89.0 ft., scribed 1/4 S19 BT

Measurements to accessories taken with a magnetic compass declination 18°east, and a nylon clad steel tape. Nailed a brass washer stamped PLS 848 above BT scribe as taken this survey. Nailed a Bearing Tree sign above the blaze and set a 2 1/4" aluminum chaining nail in base of tree.
