

CORNER RESTORATION

CORNER: NW SEC. 26 TWP. 13 S. RANGE 31 E., W.M.

ORIGINAL SURVEY BY: John B. David

CONTRACT NUMBER: 131

CONTRACT DATE: June 8, 1869

SUBSEQUENT SURVEYS:

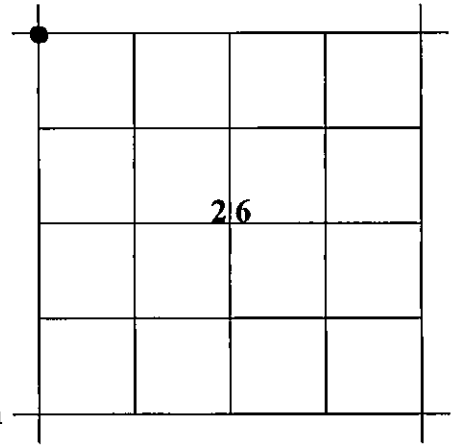

► Remonumented by L.E. Lucas, County Surveyor, in the 1940's, as per testimony of local residents. It has been commonly accepted as the section corner for at least 50 years.

► Lucas' monument was recovered and referenced by Robert Bagett, County Surveyor in 1995.

ORIGINAL DESCRIPTION: Set Stone 15X12X10 for corner to Secs. 22, 23, 26 & 27.

► No record of Lucas' original remonumentation.

► Bagett's record states: "Found a 3" axle with a punch mark, set in concrete 5" below the graveled surface of Ford Road, as set by County Surveyor Al Lucas."

ATTEST:

December 1, 2009

Grant County Surveyor

EVIDENCE FOUND: Ford Road has since been paved. We dug down 1 foot below the paved surface, but found no trace of Lucas' monument. We found all three centerline monuments that Bagett used to reference to this corner in good condition. We found no trace of the 1" chisled cross in concrete. I declare this monument obliterated, and reestablish its position from the record ties to the three centerline monuments.

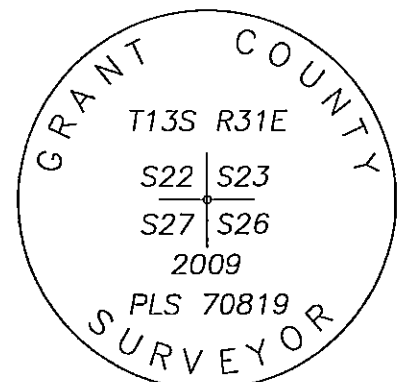

DESCRIPTION OF MONUMENTS AND ACCESSORIES SET AND METHODS USED:

At the corner point, we set a 5/8"x30" iron pin with attached 2" aluminum cap 34" in the ground, in a cast iron monument box surrounded in concrete. The cap is marked as shown below.

I SET A NEW REFERENCE POINT:

A 5/8" iron pin bears N33°21'49"E, 44.77 ft., with attached 1½" aluminum cap marked Grant County Surveyor RP 1 2009.

Used RTK GPS to measure the new RP. Bearings are based on geodetic North from a GPS observation taken at the corner.

STATE PLANE COORDINATES (3601 OR N) Reference Datum: NAD83
