

A F F I D A V I T

SUBJECT: Quarter corner between Secstions 26 and 35, Twp. 13 S., R. 31 E., W.M.

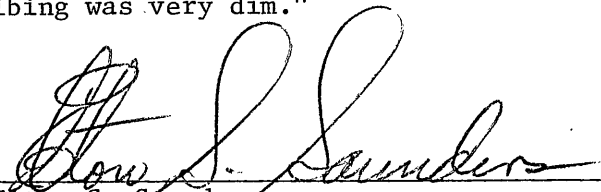

STATE OF OREGON)
)ss.
County of Baker)

I, Elton S. Saunders, being first duly sworn, depose and say the following:

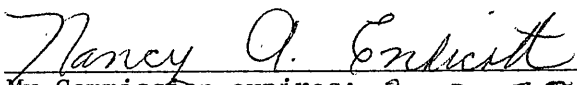

"I recently made a trip to the above referenced corner and viewed the scribed rock. This is the identical rock used by myself and also by Harold Patterson and before him Al Lucas (previous County Surveyors of Grant County) in surveying and establishing property lines in the immediate vicinity. Further I was informed by Al Lucas, whom I worked with on several occasions, that this identical corner rock had also been used by Vernon Glaze (who was County Surveyor of Grant County prior to Al Lucas).

"I am also aware that Jack Shaw, who was County Surveyor after Al Lucas, set another stone approximately 20 feet east of the corner used by Glaze, Lucas Patterson and myself. The corner set by Shaw was done by methods not acceptable for this type of work and was never used except by him.

"The scribing of "1/4" on this corner rock was re-chiseled by either Al Lucas or Harold Patterson to make identification more readable. I saw the original scribing around 1945 when I was helping Al Lucas in doing some surveying in the immediate vicinity. At this time the scribing was very dim."

Elton S. Saunders
O.L.S. No. 405

Subscribed and sworn to before me this 20th day of March, 1975.

My Commission expires: 2-3-78
