

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Original line tree established by Samuel
W. Lackland, deputy surveyor, under G.L.O. contract
No. 357 dated July 2, 1880. Surveyor general's
record states:
North between Sections 22 and 23.
Va. 19°30' East

63.00 Pine 16 inch diameter.

N/O-17
F.B. 8 P. 54, 55

Description of corner evidence found:

At assumed line tree location found 18" Ponderosa Pine, live and in good condition, with two healed hacks on both North and South faces. I opened one hack and ring counted 100 plus rings dating hack back to original date of survey. Growth rings very thin accounting for little change in size. No other trees North or South in area are blazed and no doubt this is original line tree even though distance is longer than record by about two chains.

Description of monument and accessories I established to perpetuate the original location of this corner:

Original line tree in good condition. Nailed "Property Boundary" sign 54-2 to east face and "Land Survey Monument" sign 54-9 to north face. "Attention" sign 54-4 is on south face. Painted a red band around tree. Set steel post 3 ft. north with sign 54-9 facing tree.

Marked bearing trees:

An 11" Douglas Fir bears South 82° West, 44.1 ft., scribed "APS22BT"; a 12" Douglas Fir bears South 48° East, 22.4 ft., scribed "APS23BT". Painted a 6" red band and face blazes red. Nailed signs 54-9 and 54-3 to BT'S. Nailed a brass washer stamped "LS 1026" to face blazes of BT'S. Bearings are by staff compass and declination is 19-1/2° East.

I hereby certify that the above corner monument was re-established as herein described on November 9, 1989.
