Grant County Surveyor

EVIDENCE FOUND: Found BLM brass cap marked in a mound of stone as shown below. I Also found the following accessories from 1968: a 27" diam. juniper with visible scribing bears N.57°15'E., 68.4 ft.(1968 record=N.57°30'E., 68.0 ft.), a 28" diam. juniper with visible scribing bears S.06°03'W., 190.79 ft.(1968 record=S.6°15'W., 190.1 ft.) The remains of the BT in the northwest quadrant: 4 ft. tall juniper stump with visible scribing and BT tag.

FROM THE FOUND MONUMENT AT THE NW CORNER OF SECTION 11, I SET THE FOLLOWING REFERENCE POINTS:

A 5/8"x30" iron pin, bears S.13°27'45"W., 32.89 ft., with attached 1½" aluminum cap marked "GRANT COUNTY SURVEYOR RP1 2009".

A 5/8"x30" iron pin, bears N.32°12'52"W., 12.02 ft., with attached 1½" aluminum cap marked "GRANT COUNTY SURVEYOR RP2 2009".

FROM SAID FOUND MONUMENT I ALSO MARK THE FOLLOWING NEW BEARING TREE:

a 7½" diam. juniper bears S.29°35'E., 20.39 ft., marked T14SR31ES11 CSBT

STATE PLANE COORDINATES: (3601 OR N) Reference Datum: NAD83

Northing: 263,119.01 ft.
Easting: 8,601,667.79 ft.
Ellip Ht: 3919.9 ft.

Used RTK GPS to measure to RP's and a total station to measure to a 50d nail driven into the side-center at the root crown of the BT's (with bearing measured to center of tree). I placed new BT tags on the existing trees. Rebuilt mound of stone.
