History of original corner establishment:

Description of corner evidence found:

At assumed corner location found basalt stone 14"X8"X6" firmly set 10" in ground, large end up, in center of stone mound consisting of approx. 6 other stones. W. Lackland's work; (2) stone set in stone mound; (3) stone/stone mound location harmonious with nearest recovered original corners on range line; and (4) no other stone mounds or conflicting evidence in corner vicinity.
